BOLD, BAD BURGLAR

A bold, bad, evil, dishonest burglar of either male or female persuasion entered the Elite saloon in Wells at some hour between closing and opening time Monday night and stole, purloined and extracted from a bill book in one of the locked drawers a twenty, a ten, a five dollar and two one dollar bills of the currency of Uncle Sam.—Elko Independent.

THIS IS GOING SOME

Assaying about equal parts in ounces of gold and silver, with the certificate showing \$1,224.94 to the ton in values, the Lincoln Hill Mining and Milling company of Rochester has this week a showing that is high to sensational.—Lovelock Miner.

NOT A VERY GOOD SHOWING

Printed copies of the biennial report of the state dry farm at Pleasant Valley, Elko county, have been received. They show expenses in 1913 of \$4,191 and in 1914 of \$3,527, with receipts from the sale of farm products of \$613.

EXTRA DRY WEATHER

Advance data furnished by H. F. Alcinatore, section director of the weather bureau at Reno, show that the current season September-January is the driest of the five seasons

during which systematic observations of snowfall have been made in the drainage basins of the principal rivers of Nevada. The precipitation has been below the normal every month from September 1, 1914, to January 31, 1915, inclusive.

SINKING ON GOOD ORE

The Big Four lease on the Rochester Mines company property is sinking their south winze on about six feet of ore that looks fine. They are drifting on the vein to connect the north winze with the transportation tunnel. This connection will be made in the course of a few days.—Review-Miner.

FISH ARE PLENTIFUL

Three million fish spawn are to be handled during the coming year by the state fish commission, according to announcement recently made by that body. Already 1,000,000 spawn are on hand, and a shipment of 150,000 was recently made from Marietta lake to the Verdi hatchery.—News Letter.

ALPHA MINE WILL SHIP ORE

Gianola and associates now have about 55 tons of ore out from their leases on the Alpha claim, near the Chainman mine, which was formerly owned by the East Cumberland Ely company. The ore is to be shipped at once from Lane City siding to a Salt Lake smelter.

SUIT REGARDING ROYALTIES

R. H. Rountree, through his attorney, has brought suit against the Nevada Bunker Hill Mining company for \$500. The complaint charges that said company mutually agreed to pay certain royalties on a lease in the Bullion Mining district, and that they failed to live up to their contract.—Free Press.

LUNDLEE BROS.

Remember we use the best repair material that money can buy in our vulcanizing department, and no labor or expense is spared in turning out the best possible work known to the art of pneumatic casing repair. When you have a blow out, or break in your tire fabric, do not try to hold it with bolts or rivets. Have it properly vulcanized, which will prevent any further breaking in the fabric, and make the damaged section as good as new.

A PIPE o' VELVET
is a great teacher.

When a man's smokin' he ain't called on to talk so much. He gets a chance to listen some.

Velvet Joe

No tobacco surpasses VELVET as a promoter of reflection and concentrated

thinking. This Kentucky Burley de Luxe, with the aged-in-the-wood mellowness and without a trace of bite, truly deserves its name "The Smoothest Smoking Tobacco."
